

Ref #	Hits	Search Query	DBs	Default Operator	Plurals	Time Stamp
L1	0	(filter and "screw compressor" and (water near3 separator) and regenerator and combustor and (damper near3 (control or controller or controlling or controls)) and (catalytic or catalyst or converter) and (steam near3 separator) and ejector and condenser and (water near3 cooler) and expander).clm.	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2005/06/22 12:56
L2	0	(filter and "screw compressor" and separator and regenerator and combustor and (damper near3 (control or controller or controlling or controls)) and (catalytic or catalyst or converter) and ejector and condenser and (water near3 cooler) and expander).clm.	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/06/22 12:55
L3	0	(filter and "screw compressor" and separator and regenerator and combustor and (damper near3 (control or controller or controlling or controls)) and (catalytic or catalyst or converter) and ejector and condenser and cooler and expander).clm.	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/06/22 12:55
L4	0	(filter and "screw compressor" and (water near3 separator) and regenerator and combustor and (damper near3 (control or controller or controlling or controls)) and (catalytic or catalyst or converter) and (steam near3 separator) and ejector and condenser and (water near3 cooler) and expander)	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2005/06/22 12:56
L5	0	(filter and compressor and (water near3 separator) and regenerator and combustor and (damper near3 (control or controller or controlling or controls)) and (catalytic or catalyst or converter) and (steam near3 separator) and ejector and condenser and (water near3 cooler) and expander)	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2005/06/22 12:56
L6	0	(filter and compressor and separator and regenerator and combustor and (damper near3 (control or controller or controlling or controls)) and (catalytic or catalyst or converter) and water and steam and ejector and condenser and cooler and expander)	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2005/06/22 12:57

L7	0	(compressor and separator and regenerator and combustor and (damper near3 (control or controller or controlling or controls)) and (catalytic or catalyst or converter) and water and steam and ejector and condenser and cooler and expander)	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2005/06/22 12:57
L8	0	(compressor and separator and regenerator and combustor and (catalytic or catalyst or converter) and water and steam and ejector and condenser and cooler and expander)	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2005/06/22 12:57
L9	1	(compressor and separator and (regenerator or generator) and combustor and (catalytic or catalyst or converter) and water and steam and ejector and condenser and cooler and expander)	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/06/22 13:10
L10	1	(compressor and separator and (regenerator or regenerate or regenerating or regeneration or regenerates) and (combustor or (combustion near3 chamber)) and (catalytic or catalyst or "after treatment") and water and steam and ejector and condenser and cooler and expander)	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/06/22 13:13
